Cake/Cupcake Storage

Please have a sturdy surface and/or cake stand for your cake/cupcakes. **The room temperature should be 70 degrees or lower.**

The cake/cupcakes need to be refrigerated or kept cool (under 70 degrees) until approximately 2 hours before planned serving time.

Please refrain from hitting, touching, or bumping the area designated for your cake/cupcake.

Cupcake can and will melt and/or collapse in heat. Please display in a cool room/area.

After the cake/cupcakes have been picked up and/or delivered/set up, SLM: Cookies, Cakes, Confections LLC will not be liable or responsible for any damage(s) and/or changes that occur in the appearance of the cake, which are different from the condition of the cake upon pick up and/or delivery/setup.
